I have worked with Lynette Clark, owner of NetClaims Medical Management for two business quarters. She came highly recommended after discussing how unsatisfied we were with our billing services at the time. Not only does she accurately bill and recoup funds, she has done so effectively in a time conscious manner. Her experience with many insurance companies, billing experience and customer service has shown her personal confidence and ability to provide thorough service. The consideration NetClaims Medical Management shown to Alcovy Family Medicine has been exemplary.

I, like my colleague before me, am recommending the services of Lynette Clark and NetClaims Medical management for billing and associated fiscal collections.

Sincerely,

M.E. Glover M.D.
